

Student Bursary Application 2010

6th Annual Technology Vision Group LLC / BIOTECanada Student Bursary

Apply today to attend BioPartnering North America

Westin Bayshore Resort, Vancouver, B.C. – January 24-26, 2010

BioPartnering North America™ (BPN) is supported by leading biotechnology, pharmaceutical, financial and service companies from around the world. This key partnering event offers companies a focused business development experience that features company presentations, face-to-face partnering meetings, expert panels and workshops, and 3 days of networking opportunities.

For the 6th consecutive year, **Technology Vision Group LLC** in partnership with **BIOTECanada** is offering a limited number of bursaries for graduate and post-graduate students studying in a biotechnology-related program in Canada. The bursaries provide full conference registration. A travel allowance is also available (except for local applicants).

Eligible students will be selected from a pool of qualified applicants. **Only successful candidates will be notified.**

Eligibility: New applicant (must not have received the bursary in the past)

Your application must include all of the following:

- This form completed, signed and dated (digital signatures accepted)
- CV / résumé (with email address)
- Official letter from academic institution/supervisor confirming enrollment and the benefit for your participation

Deadline for receipt of applications: December 1, 2009

Email Notification (if successful): December 8, 2009

Successful applicants are responsible for arranging their own travel and submitting all receipts to BIOTECanada by February 19, 2010. You will also be required to submit a 250 word biography and digital photograph (for use on TVG LLC website) by December 15, 2009.
